

Perfection is on the horizon.

Picture perfect sound™

Combining cinema-quality sound with a sleek, modern design, the Horizon 414-X-A 5.1 system was designed to satisfy and impress even the most extreme audiophile. The front soundstage is comprised of Leon's Horizon 414-LCR-X-A, which features an array of Peerless HDS European woofers coupled with hand-made silk dome Morel tweeters. The result: high definition sound quality that is second to none. Each one of the hand-finished cabinets can be further customized to match any décor, further allowing the audio experience to blend seamlessly into any space. The optimum system for medium to large-sized rooms, the Horizon X-A is the perfect fusion of power and poise.
