

Audiophile meets audiostyle.

Picture perfect sound™

The Ultima 7.2 Reference-grade system is the careful culmination of the best of our best. Designed from the ground up to provide supreme sound, even the most discriminating audiophile will relish the extreme performance of the hand-made drivers from Eton and Morel. And the entire system can be custom built and finished to fit seamlessly into any room imaginable. Offering a true window into the finest production studios in the world, the Ultima 7.2 system perfectly recreates the soundscape with stunning authenticity. Carefully crafted to work in unison with our refined 10" subwoofer and subwoofer amplifier to achieve ultimate sound immersion and tonal balance, this system provides the best possible sound imaginable.
