

HORIZON SERIES

Hz250UT

Description

Leon's Hz250UT ultra-thin soundbar is less than 2" deep and utilizes aluminum cone woofers and cloth-dome tweeters to offer uncompromising, detailed sound reproduction. Each speaker is custom-built to match the exact width of any display and is available in L/C/R, L/R or center-channel configurations. With Leon's exclusive mounting brackets, the Horizon soundbar attaches directly to the display for an ideal program audio solution in any space.

Key Features

- Custom crafted to match the exact width and finish of any display
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- Slim 1.75" design to ensure compatibility with flat-screen TVs
- Available as L/C/R, L/R or Center-only channels
- Solid MDF construction, handcrafted in the USA

Recommended Pairings: AxV60, Ds400, ACS8-400
