

Description

Leon's Profile Pr55 is custom built to match the height of any display, while delivering full range, high-performance audio with incredible power handling. Featuring 5" woofers and 1" silk-dome tweeters, the Pr55 provides a broad sound stage, effortless highs, and deep, powerful bass—creating a refined listening experience perfect for 60" - 75" displays in midsize to larger rooms throughout the home.

Recommended with Ax80, Ds55, v55, A10-UT

Key Features

- Custom built to match the exact height of any display
- 5" high-performance woofers and 1" silk-dome tweeters reproduce music and dialogue with stunning authenticity
- 3.75" depth perfectly complements any ultra-thin TV
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Available as a stereo pair, or as multi-channel speakers
- Solid MDF construction, handcrafted in the USA
