

Description

Leon's Profile PrUT ultra-thin speakers are custom-built to match the exact height of any display without compromising sound. At less than 2" deep, the PrUT features 2.5" woofers and 22mm cloth-dome tweeters for detailed sound reproduction with an astoundingly warm, lifelike acoustic spectrum. Perfect for smaller to midsize rooms and entertainment spaces.

Recommended with AxV60, Ds33, A8-200
