

#### Description

Leon's flagship Profile Pr700 soundbar celebrates a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker is handcrafted from 1" solid MDF and features world-class 7" aluminum cone woofers and 25mm cloth-dome tweeters for an unrivaled listening experience—perfect for any large scale commercial application.

#### Applications

High-output video walls, multimedia presentation rooms

#### Key Features

- Custom built to match the height of any display or multi-screen array
- Handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters
- 1" solid MDF cabinets provide unparalleled structural rigidity while decreasing unwanted resonance
- Unrivaled listening experience for large scale commercial applications
- Available as a stereo pair or as multichannel speakers
- Sonically-matched to Ds700 surround sound speakers
- Meticulously handcrafted, detailed, and tested in the USA
