

VAULT SERIES

v44UX

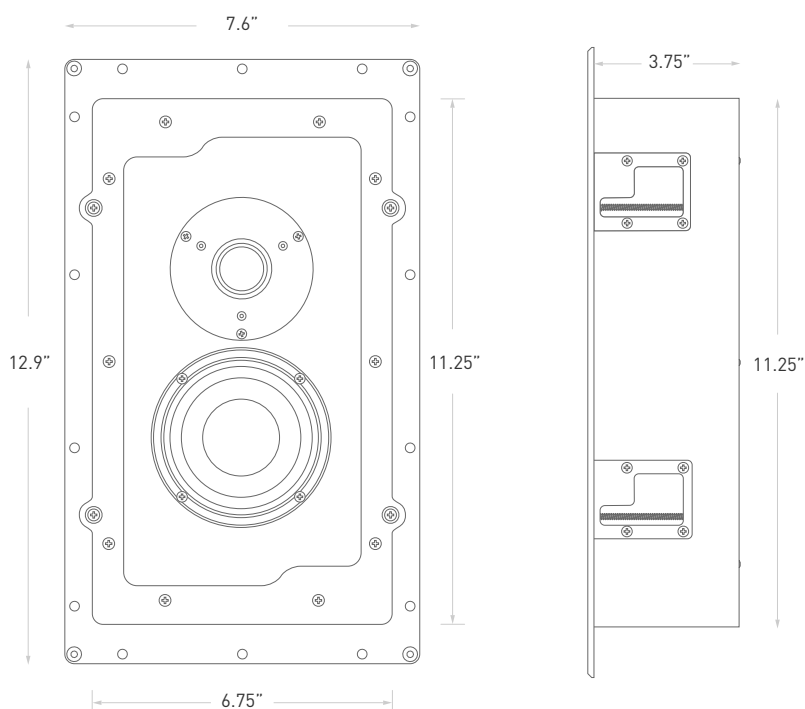

Description

Leon's Vault Series in-wall speakers are fully sealed and handcrafted from solid MDF to deliver uncompromising quality in both construction and performance. The Vault v44UX speakers can be used as concealed L/C/R speakers to create high-performance home theater systems, or they can be used as rear channels to complement our Horizon or Profile Series speakers for a truly integrated sound solution.

Recommended with Hz44UX, Pr44UX, A10-UT

Key Features

- 4" ultra-thin, audiophile-grade woofers and 1" silk-dome tweeters provide extreme precision and musical detail
- Sonically-matched to complement Horizon Hz44UX and Profile Pr44UX speakers
- 3.75" depth fits easily into any standard wall
- Thin framed, removable magnetic grills can be custom painted in-house to match any color swatch or paint code
- Swing out "dog-leg" mounting system for easy installation
- Fully sealed and tuned enclosure
- Solid MDF construction, handcrafted in the USA
