

Studio Frame for Sony BRAVIA 7

Description

Transform Sony's BRAVIA 7 4K ultra-HD display into a beautifully framed work of art. Available for 55", 65", 75", and 85" models, Studio Frame adds the finishing touch with a contemporary profile, integrated motion-and-light-sensor, and an exclusive TV app developed by Sony.

Available exclusively with the Studio Frame, the Sony Art Frame Gallery App turns BRAVIA 7 into a digital art display with built-in motion and light sensors, a range of matte border options, and over 150 works of art from Sony's Alpha photography collection, The National Gallery Collection of Paintings, and Singulart—or, upload your own images for a personalized touch.

Standard Finishes

Key Features

- Premium frame designed exclusively for Sony BRAVIA K-XR70 series
- Conceals mounting and wiring behind display with accommodations for passive ventilation and audio
- Features exclusive programmable Sony Art Frame Gallery App
- Includes 150 curated photographs and works of art
- Built-in motion-and-light sensor allows TV to activate Art Mode when room is occupied and power-saving standby when vacant
- Frame ships flatpack and is easily retrofitted without removing display
- Includes IR repeater for use with Sony remote
