

### Description

Leon's Timbre Ti44UX bookshelf/desktop speakers tout extreme craftsmanship and performance capable of delivering an organic, detailed and textural sonic experience at any level. Available in solid hardwoods or finished to match any color, they are perfect for use as front speakers in a small home theater, standalones for music, or as surround speakers in a larger home entertainment center.

### Available Finishes

### Key Features

- 4" ultra-thin, audiophile-grade woofers and 1" silk-dome tweeters provide extreme precision and musical detail
- Solid hardwood construction provides rigid acoustic suspension for tight bass and rich tonality
- Available in Light Oak, Walnut, Cherry, Grain Black, Grain White, Matte Black, Matte White, or any custom hardwood or paint color
- Handcrafted in the USA
