

# VAULT SERIES

v400/v400UX

## Description

Leon's Vault Series in-wall speakers are fully sealed and handcrafted from solid MDF to deliver uncompromising quality in both construction and performance. The v400 can be used as concealed L/C/R speakers to create high-quality sound in any space, or they can be used as rear channels to complement our Horizon™ or Profile™ Series speakers for a truly integrated sound solution.

## Key Features

- Fully sealed and tuned enclosure constructed from 3/4" MDF
- Timbre-matched to Horizon Hz400 and Profile Pr400 Series speakers
- At only 3.75" deep, they fit easily into any standard wall
- Thin framed, removable magnetic grills can be custom painted in-house (color-matched fabric grills are also available)
- Re-engineered mounting system for easy installation

**Recommended Pairings:** Hz400, Pr400, ACS10-UT
