

Description

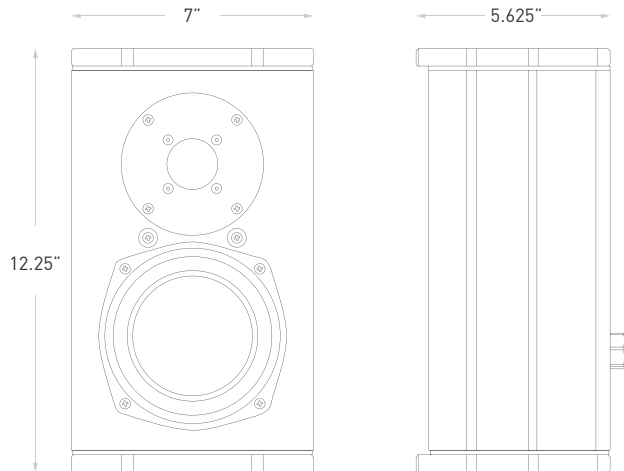

Leon's Boundary B115LX features one 5" outdoor aluminum-cone woofer for extreme performance and durability, and 1" aluminum-dome tweeters specially designed for outdoor use while providing audiophile accuracy and precise imaging. Each speaker is handcrafted from solid aluminum and powder coated with UV-resistant finish ready to withstand the elements. Everything from the marine-grade drivers to the perforated metal grill is made in the USA with pride.

Available Finishes
