

Description

The Profile Pr44 is ideal for small home theater systems and everyday TV viewing. Custom built to match the exact height of any display, these slim cabinets are equipped with 4" high-performance woofers and 1" silk-dome tweeters to provide excellent sonic clarity at all volumes. With versatile mounting options and precision craftsmanship, the Profile Pr44 Series is the perfect complement to 55" -75" TVs in small to medium-sized rooms.

Recommended with AxV60, Ds44, v44, A10-UT

Key Features

- Custom built to match the exact height of any display
- 4" high-performance woofers and 1" silk-dome tweeters reproduce music and dialogue with stunning authenticity
- 3.25" depth perfectly complements any ultra-thin TV
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Available as a stereo pair, or as multi-channel speakers
- Solid MDF construction, handcrafted in the USA
