

Description

Leon's Vault Series in-wall speakers are fully sealed and handcrafted from solid MDF to deliver uncompromising quality in both construction and performance. The Vault v55 speakers can be used as concealed L/C/R speakers to create high-performance home theater systems, or they can be used as rear channels to complement our Horizon or Profile Series speakers for a truly integrated sound solution.

Recommended with Hz55, Pr55, A10-UT

Key Features

- 5" high-performance woofers and 1" silk-dome tweeters reproduce music and dialogue with stunning authenticity
- Sonically-matched to complement Horizon Hz44 and Profile Pr44 Series speakers
- 3.75" depth fits easily into any standard wall
- Thin framed, removable magnetic grills can be custom painted in-house to match any color swatch or paint code
- Swing out "dog-leg" mounting system for easy installation
- Fully sealed and tuned enclosure
- Solid MDF construction, handcrafted in the USA
