

### Description

Leon's Vault Series in-wall speakers are fully sealed and handcrafted from solid MDF to deliver uncompromising quality in both construction and performance. Vault vULTIMA speakers can be used as concealed L/C/R speakers to create high-performance home theater systems, or they can be used as rear channels to complement our Horizon or Profile Series speakers for a truly integrated sound solution.

Recommended with HzULTIMA, PrULTIMA, A10-UT

### Key Features

- 5" reference woofers and 1" reference tweeters provide a captivating, cinematic listening experience
- Sonically-matched to complement Horizon HzULTIMA and Profile PrULTIMA Series speakers
- 3.75" depth fits easily into any standard wall
- Thin framed, removable magnetic grills can be custom painted in-house to match any color swatch or paint code
- Swing out "dog-leg" mounting system for easy installation
- Fully sealed and tuned enclosure
- Solid MDF construction, handcrafted in the USA
